RIM Publications Subscription Agreement

Definitions and Interpretations

The following definitions apply throughout the RIM Publications Subscription Agreement ("Agreement"):

Subscriber means details under (A) Subscriber in Step 4 on subscription application form.

Registered Subscriber means individuals who are written on the subscription application form as a subscriber. Number of Registered Subscriber with regard to each copy of RIM Publications shall be no more than 2 persons in the same division/section (excluding a same division/section located in a different location).

RIM means RIM Intelligence Co. located at 3F, Yaesudorihata-Bldg, 1-9-8, Hatchobori, Chuo-ku, Tokyo ZIP 104-0032 Japan

RIM Publications means any of RIM Crude/Condensate Report, RIM Products Report, RIM LPG Report, RIM Bunker Report, RIM Petrochemical and Polyolefine report, RIM LNG report, Rim Petrochemical data, Data-File and Asia Energy Links.

The followings are strictly prohibited.

Copying and transmitting

(1) Individuals in the division/section of Subscriber which is written on the subscription application form (excluding a same division/section located in a different location) may read RIM Publications. Subscriber shall not make copies of all or any part of RIM Publications, distribute, assign, transfer, lend, reproduce, reprint, or transmit to any other individuals or third party.

(2) Subscriber acknowledges that any copyrights of RIM Publications is owned by RIM, if Subscriber infringes the Agreement or Copyright Act, Subscriber shall pay RIM for penalty charges equivalent of 3-year amount of subscription fee.

(3) Subscriber shall not post or extract all or any part of RIM Publications on any publication, electronic data, website or e-mail, or shall not cause any other individuals to read RIM Publications without prior consent of RIM. Even after consent of RIM, Subscriber shall specify the name of RIM on such publication or website.

Reselling

Subscriber shall not resell, assign or transfer RIM Publications to any other individuals, person in other division/section or branches of Subscriber.

Restriction on subscriber

(1) Only Registered Subscriber and individuals in the division/section of Subscriber which is written on the subscription application form (excluding a same division/section located in a different location) may read RIM Publications. Subscriber shall not let any other individuals read RIM Publications.

(2) Number of Registered Subscriber with regard to each copy of RIM Publications shall be no more than 2 persons in the same division/section (excluding a same division/section located in a different location). In the case where number of Registered Subscriber exceeds 2 persons, for every increase of 2 Registered Subscribers, Subscriber shall subscribe another copy of RIM Publications.

(3) In the case where person in another division/section (including a same division/section located in a different location) is to become Registered Subscriber, Subscriber shall enter in to another RIM Publications Subscription Agreement.

Confidentiality of ID and password

RIM may provide Registered Subscriber an ID and Password to access RIM Publications on the website. Subscriber shall not let any other individuals than Registered Subscriber utilize the ID and Password.

Rejection of Antisocial Forces

RIM and Subscriber may immediately terminate the Agreement, in the case where the other party, or executive, officer, agent or any other employee of the other party is found to be an antisocial organization such as a gangster organization or crime syndicate, to be a member of such an antisocial organization, to have capital ties or transaction with such an antisocial organization, or to have committed antisocial acts.

A change in subscriber information

In the event that there is any change in items of Subscriber written on the RIM Publications subscription application form, Subscriber shall immediately notify RIM by means of designated format or website.

Company: _____

Disclaimer

(1) RIM bears no responsibility for any consequences arising from the Subscriber's use of information in RIM Publications.

(2) In below cases, RIM may suspend publications including website news and reports without prior notice to Subscriber. RIM bears no responsibility for any loss or damage caused from the suspension of RIM Publications.

(a). In the case where emergency events beyond RIM's control or unforeseeable events such as natural disasters are to occur or likely to occur, which may cause operational problems.

(b). In the case where website or computer system trouble causes RIM to decide the suspension of RIM Publications.

(c). In the case where equipment troubles, maintenances or repairs with regard to RIM's computer equipments causes RIM to decide the suspension of RIM Publications.

Subscription period and payment

Subscription Period

The subscription period shall be as specified by Subscriber at the time of signing of subscription application form. Unless Subscriber informs RIM of its intention to terminate the subscription, the subscription period shall be automatically extended for another same period as Subscriber initially specified. If Subscriber wishes to terminate the subscription, it shall so notify RIM at least one month in advance of the expiry date of the subscription period.

Invoicing and Payment

(1) The payment of the subscription fee for total amount of the specified subscription period shall be made no later than the due date designated by RIM.

(2) Subscriber shall pay the subscription fee by telegraphic transfer to the bank account designated by RIM. The bank charges incurred for the payment of subscription fee shall be borne by Subscriber.

(3) In the event that the payment is not made by Subscriber by the due date, RIM may terminate the Agreement or suspend issuance of RIM Publications to the Subscriber.

(4) The Agreement shall not be terminated before the end of the subscription period. Provided, however, that if Subscriber does not request refund for any subscription fee already paid by Subscriber, Subscriber may terminate the Agreement during the subscription period. There shall be no refund of the subscription fee, either all or a portion of it under any circumstances.

Press holiday

RIM does not publish RIM Publications on Saturday, Sunday, national holidays and press holiday designated by RIM. Further, in the event set forth in paragraph (2) of Disclaimer clause, RIM may suspend RIM Publications.

The change in subscription fee

Subscription fee is subject to change every year. If subscription fee is to be changed, Subscriber will be notified of the details 30 days prior to the expiration date of the current subscription period.

Change of Agreement

In the case where a part of the Agreement is necessary to change, RIM may change the Agreement upon consultation with Subscriber.

Miscellaneous

Any matter not stipulated in the Agreement shall be settled each time upon consultation between both parties.
