

Lecturing Service

At Rim Intelligence, we provide lecturing services by our reporters at your office or at a convenient location near your office. In addition to explaining our price assessment methodology, our reporters, who are well-versed in energy trading information, can also conduct speeches regarding market movements. Further, we can also provide lecturing services on the overall energy market, so feel free to contact us. Lectures can be conducted in English or Japanese.

These lectures are especially suitable in the following instances:

- As an internal course within the company for staff or for new employees
- For various seminars or conferences

Reports issued by Rim Intelligence include:

- Crude
- Petroleum Products
- LPG
- Petrochemical
- LNG
- Bunkers
- Lorry Rack (Japanese Domestic Truck)
- Japan Products (Japanese Domestic Barge)

Terms of Use

Start of Service

An official request is to be submitted by Email or Fax stating the date/time, venue and contents of the lecture. This is subject to mutual agreement between the user of this service and Rim. Even after the agreement is made, Rim may terminate this service should circumstances arise making it difficult for Rim to conduct this service.

Place of Lecture

To be provided by the user.

Fees

Fees include lecturing, transportation, accommodation and meal costs, where necessary. Rim shall invoice the user for all the above costs. Depending on the contents, the lecturer may bring along an assistant. In such a case, the assistant's transportation, accommodation and meal costs, where necessary, shall be borne by the user. The cost of additional texts or lecture materials, other than power point slides, shall also be borne by the user. Payment is to be made 7 days (excluding Saturdays, Sundays and public holidays) before the commencement of the lecture. Payment is by telegraphic transfer to a bank account specified by Rim. Fees for the telegraphic transfer shall be borne by the user.

Cancellation Charges

After the agreement started, if the user wishes to cancel the service, the following cancellation charges apply:

14 days before the start of the lecture: 100% of fees

15 to 30 days before the start of lecture: 50% of fees

31 days before the start of the lecture: 30% of fees

Charges shall be paid within 7 days of the cancellation of the agreement.

Copyrights and Other Intellectual Property Rights

Voice recordings, video recordings and Ustream of lectures are prohibited. Photography is also not permitted. Participants shall refrain from taking photographs using their mobile phones.

All copyrights and other intellectual property rights pertaining to the lecture shall be owned by Rim and not passed to the user. With for commercial purposes or not, permission from Rim is required if the user wishes to use the contents of the lecture in other ways.

Unauthorized use of all or part of the lecture materials for similar seminars is strictly prohibited.

No portion of the lecture materials shall be copied, reproduced or retransmitted without permission from Rim.

Personal Information

Personal information obtained by Rim during the course of the user's application for this service shall be used only for this service and not be disclosed to a third party.

Force Majeure

In the case where the lecturer is unable to attend due to death, illness, natural disaster or unforeseen transportation problems, Rim shall try to make alternative arrangements such as sending a replacement lecturer. However, Rim shall not be responsible for any damages to the users because of this.

Damages

In the case where Rim is responsible to pay damages concerning this agreement, such damages should be limited to the lecture fees.

Changes to Terms of Use

Rim may make amendments, additions or deletions to these terms of use without prior notice to the user.

Governing Law and Jurisdiction

Disputes arising from using this service shall be under the exclusive jurisdiction of the courts of first instance with the Tokyo District Court and Tokyo Summary Court.

Others

Any matters not included in the above shall be discussed and agreed between Rim and the user.
